

“The Foundation funding has been vital in demonstrating our safety obligation by replacing a piece of equipment which would soon be deemed unsafe to use.”

Allan Burnett

Fishburn Park Football Club

Project:

Purchase of new ground maintenance equipment

Subject:

Health, well-being and sports Facilities and building improvements

Location:

Whitby, North Yorkshire

Date of award:

January 2018

Overview:

Fishburn Park comprises of two senior teams and eight boys' and girls' junior teams, all of which compete in various local leagues.

Following a recent FA pitch inspection and audit of the club's ground and maintenance equipment, it was recommended that the club replace their old and inefficient mower before it became unsafe to use.

£5,000 was awarded by the Foundation to assist with the purchase a 34–36hp tractor, cutting deck and other equipment.
