

“We hold limited social functions... and the proposed upgrade should increase usage of this type of event.”

**Keith Harding**  
Moorsholm Cricket and Athletic Club

## Moorsholm Cricket & Athletic Club

### Project:

Pavilion refurbishment

### Subject:

Facilities and building improvements

### Location:

Marske-by-the-Sea, Redcar and Cleveland

### Overview:

Since the closure of the local pub, Moorsholm Cricket and Athletic Club has re-developed itself as a community hub which is useable to all residents of the village as a social centre, as well as being used by the senior and junior cricket teams and the village junior football team.

£5,000 was awarded to the club to extend the kitchen and upgrade the toilet facilities. The funding also enabled the purchase of new tables and chairs and a cash till for any purchases made from the kitchen, as well as a new bottle cooler.
